

# Branding & Site Furniture

Pelco understands image is everything. Adding a custom designed medallion to your site furniture items creates an identity that makes your campus your own. Our site furniture also make memorable donor items a unique contribution with personally branded medallions for applying to trash cans, benches, bollards, flagpoles, light poles and way-finding signage.

University campuses are known for their traditions. The heritage of higher learning is often reflected in classic architecture. Look to Pelco to assist in keeping your traditions alive.

# Lighting

Schools all across the country are embracing the concept of Crime Prevention Through Environmental Design (CPTED). Let Pelco help define your LED and HID lighting needs.
