With Pelco Products, innovation always comes standard.

Pelco Products, Inc. is a centrally located, Oklahoma-based, family-owned business specializing in designing, engineering, manufacturing, and distributing poles, brackets, and associated products utilizing castings, extrusions, forgings, and stampings. With engineering as the catalyst for growth, Pelco Products is proud of its Engineering Team consisting of 26 engineers and technical staff with over 400 combined years of experience.

Founded in 1985 in a 2,500 square feet facility with 5 employees, the company now employs over 265 team members in 315,000 square feet of manufacturing space. The company is dedicated to serving its three primary markets (i.e., traffic, ornamental, and utility) globally through Innovative Solutions, Quality Products & Unparalleled Customer Service.

Please contact Pelco Products today for more information by calling 405.340.3434 or email us at sales@pelcoinc.com.
The Astro-Brac family of products is the Premier Universal Mounting System for the traffic industry.

Astro-Brac® universal mounting systems are used for signs, cameras, sensors and virtually any size or combination of signals, to mast arms and poles. The Astro-Brac can be fitted with bands or cables and can rotate 360°. This versatility and the dependability is only possible with the Astro-Brac mounting system.

Astro-Brac® is easy to install and adjust. Contractors all over the world use it to reduce man hours and increase profitability.

---

**Astro-Brac Stellar**

- **Intended Applications:**
  - Traffic Signal Assemblies, Camera, Sign & Antenna Mounts
  - Saddle Clamp to clamp tube
  - Cable or band designs available
  - For 1-1/2” Tube (1-7/8” OD), 7” Tube max length
  - 360° clamp rotation
  - Multiple axes of adjustability

**Astro-Brac Tallon**

- **Intended Applications:**
  - Traffic Signal Assemblies, Camera, Sign & Antenna Mounts
  - V-Bolts to clamp tube
  - Cable or band designs available
  - For 1-1/2” Tube (1-7/8” OD), 7” Tube max length
  - 360° clamp rotation in vertical or horizontal planes
  - Multiple axes of adjustability

**Astro-Brac Triton**

- **Intended Applications:**
  - Camera, Signs, Antenna & Equipment Mounts
  - Saddle Clamp to clamp tube
  - Cable or band designs available
  - For 2” Tube (2-3/8” OD), 15’ Tube max length
  - 360° clamp rotation held with serrations
  - Multiple axes of adjustability
